

MEMORANDUM of UNDERSTANDING
BETWEEN

THE CITY OF MESA, MJ GOLF AND SENIOR DOBSON RANCH GOLF ASSOCIATION

The following is a memorandum of understanding between the City of Mesa, MJ Golf and the Senior Dobson Ranch Golf Association (SDRGA).

The purpose of the Memorandum of Understanding (MOU) is to identify the terms and conditions for the SDRGA and establish operation guidelines.

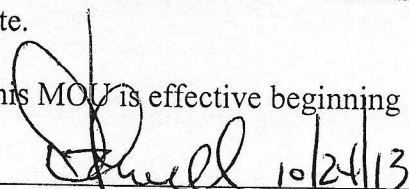

As part of this (MOU), the SDRGA may be granted two tournaments per month. These tournaments will be provided on a space available basis. All attempts will be made to provide one Saturday and one Sunday tournament per month. This may not always be possible. During peak play times, there may be only one tournament per month or both tournaments may fall on a Sunday. The City of Mesa and MJ Golf reserve the right to change days played and starts times as necessary to ensure there is a balance between public and tournament play. The City has sole right to set a maximum number of players for each tournament.

The SDRGA is responsible for:

- a. Recruiting and maintaining their membership roster.
- b. Maintain handicaps for each member of the SDRGA
- c. Requesting tournament dates for the following year by 10/15 of each year
- d. Maintaining the same speed of play criteria utilized by the DRGA
- e. Paying a minimum of \$12.00 per person per day prize fee for tournaments
- f. Paying a minimum of \$1.00 per person administration fee.

The SDRGA will confirm the number of players 7 days in advance of the tournament date. The SDRGA will pay for the tournament (green fees) with one check on the day of play. Each player is responsible for paying for golf carts at the time of check in. The SDRGA will pay the posted green fees and cart fees. Tournament play is not eligible for the Summer Cart Special discounted rate.

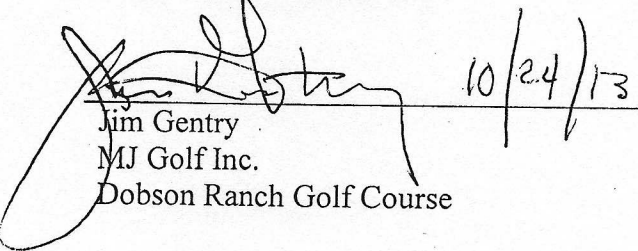

This MOU is effective beginning 10/22/2013.
