

Dobson Friday Game Up and Running August 12, 2022

The Friday Game at Dobson Ranch now has a block of tee times from 10:12 AM to 12:12 PM (64 Players Total). For those inside this block of tee times the Pro Shop Fees will be as follows.

Summer Green Fees will be \$36 to walk and \$46 to ride.
Winter Green Fees will be posted at a later date.

The cost to players shown above only applies to those players inside the Friday Game block, which does include a nominal premium tee time booking fee, which is offset to some extent by a reduction in the cart fee.

Players may get their own tee times prior to this series of blocked times only, but they will be responsible for the cost of that tee time at the time that it is booked.

The signup process for players utilizing blocked times only is as follows.

Go to <https://dobsonfiftyclub.com/>.

In the upper right-hand corner on the top line of this website click on Friday Game.

You can then click on Friday Game Tee Sheet to see the available tee times. Note that the tee sheet is not live but is updated frequently.

You can then send an email to Dutch2204@cox.net with the next available tee time and the names of players in your group. If the selected tee time is not available, you will be assigned the next available tee time.

Note that if you don't have a standing time, you must take the first available time starting with the initial 10:12 AM time.

Cutoff to sign up in the blocked times is currently Thursday at 12 Noon.

A final tee sheet will then be available to view on the website at some point on Thursday afternoon or early evening.

Standing tee times for every Friday Game are available, but you will be responsible for payment every Friday. If interested send your request to Dutch2204@cox.net to obtain further details.

After you check in on Friday and pay your Pro Shop Fees, the usual tournament day payment procedure for the game, with envelopes and the safe deposit drawer, will continue.

Standard Friday Game Entry Fee is as follows.

\$30 includes net skins, side payouts, and closest to the pins.

\$10 optional gross skins entry fee.

Net Payout

3 places front, back, and total as usual

Gross Payout Total Score 18 Holes

35-49 Players – 1st \$85 and 2nd \$65

50-59 Players - 1st \$85, 2nd \$65 and 3rd \$50

60 & Up Players - 1st \$100, 2nd \$75 and 3rd \$50

Note that you will be able to view current Friday Game handicaps and recent Friday Game results at <https://dobsonfiftyclub.com/friday-game/>.

Slow Play

We are thankful to the Pro Shop for providing us with a block of tee times on Friday, for what is a nominal premium tee time booking fee in the winter.

However, we do need to manage and respond to the biggest complaint from the Pro Shop concerning Friday Games of the past, which is the pace of play. Pros and amateurs alike, if you are habitually accused of being a slow player, convince yourself to play faster or maybe play somewhere else. Going forward slow players or foursomes will be documented and

warned. If the slow play persists, they will be banned from the Friday Game. All players must keep up with the group in front of them. No excuses, no exceptions.

See you Friday!
