Local Past and Present Professional Golfers of America (PGA) Members – Per Fifty Club Board approval local PGA members over the age of 60 with long term ties to Dobson Ranch who are retired or semi-retired will be considered for membership. Preference is shown for those with over 20 years of service to the Dobson Ranch Pro Shop. The intent is to provide these PGA members, whom have been an integral part of Dobson Ranch, an opportunity to play and compete with those whom they have known for many years.

Tournament Procedures

All Fifty Club tournaments will comply with the USGA Rules of Golf and Fifty Club local rules.

Tournament Formats – All Fifty Club tournaments are “Flighted” events. Flights are comprised of players with like handicaps with the intent of equal Flights amongst the playing field. Players with the same handicap could however end up in different Flights. The determining factor for the split in Flights is the fractional difference in the player’s handicap index, with the higher value going into the higher flight.

Fifty Club Championship and Presidents Cup Qualification – In order to qualify for the Fifty Club Championship and Presidents Cup the member must have posted 3 scores in Individual Net and Gross events within the past year. On the first day of the tournament members will not be required play within their flight. On the second day players will play within their flight and tee times will be assigned based the score posted on the first day. In addition, the last tee time will be reserved for the four (4) players with the lowest gross score, and next to last tee time will be reserved for the four (4) players with the lowest net score.

Fifty Club Two Person Team Championship Qualification – In order to qualify for the Fifty Club Two Person Team Championship, the member must have posted 3 scores in Individual Net and Gross events within the past year. On the first day of the tournament teams will not be required play within their flight. On the second day teams will play within their flight with tee times pre-determined on the Friday prior to the tournament.

King of the Ranch – This is a Dobson Ranch Golf Association (DRGA) and Fifty Club combined event. Format and entry fees will be determined annually. Tournament will be completely self-funding with no monetary contribution from any Fifty Club financial account.

Shot Differential for Two Man Events – All two-man events will require that no more than 8 shots will separate the lower handicap player from the higher handicap player. For team differentials 9 shots and greater the higher handicap player will be adjusted down to meet the 8 shot maximum.

Pricing - Regular one-day tournament entry fees will vary between \$50 and \$80 per tournament.

Tees – Fifty Club members will play all events from the tee one up from the back tee, which is commonly the White Tee.

Tournament Scoring and Final Results - Scorecards will be signed by an opponent and attested by the player. Not doing so will be grounds for disqualification. The Pro Shop Professional on duty during a Fifty Club tournament will be responsible for all decisions concerning the Rules of Golf. The Pro Shop Professional shall arbitrate all scoring and rules disputes in conjunction with the Fifty Club BOD.

All tournament results are final at sundown on the Thursday following the tournament.

Tournament Disputes Process

The Tournament Disputes Process has been instituted to allow Members the opportunity to challenge items affecting the outcome of the tournament under the Rules of Golf.

A Dispute must be made to the scorer on the day of the tournament in which the Dispute arose, and a written dispute must be submitted within 90 minutes of the completion of the disputed round.

Any player or players can submit details of the dispute including witnesses and specifics of the dispute. The scorer will distribute the written dispute form to the Fifty Club BOD as early as possible on Monday, but no later than 6 pm on the Monday after the Tournament.

Slow Play Policy

PRO SHOP RESPONSIBILITIES

- The Pro-Shop representative on the first tee box will mark one scorecard with the foursome's departing time.
- A time clock will be placed in a designated area between the ninth green and the tenth tee. At the completion of the front nine holes and the completion of the back nine holes, each group is required to "punch in" their time on the designated scorecard. The clock should be punched after the last player in the group has holed out and the flag has been replaced.
- The Pro Shop will monitor the card stamping procedure to ensure compliance with this policy.

PLAYERS RESPONSIBILITIES

- All disputes must be brought to the attention of the Fifty Club BOD in accordance with the Tournament Disputes Process.
- During tournaments disregard "honors". The first player ready to tee off should proceed regardless of the previous hole's score.
- You are expected to play "ready golf". This simply means if your shot is not going to interfere by sight, sound or safety of another player, proceed to hit.
- It is the responsibility of all members of each foursome to monitor their time.
- If a player(s) within a foursome is exceedingly slow, the other foursome members must encourage faster play to avoid a foursome penalty.
- All foursome members bear responsibility for the scorecard being punched properly.

PLAYER IN WRONG FAIRWAY OR WRONG GREEN

- A player on Hole 9 has the "right of way" before any player on Hole 1.
- A player on Hole 8 has the "right of way" before any player on Hole 11.
- A player on Hole 18 has the "right of way" before any player on Hole 10.

PENALTIES –

- Standard Time = 4 Hours 12 Minutes
- No penalties will be assessed if you finish your round within 4 hours and 12 minutes. Should your group finish your round in 4 hours and 13 minutes or more, penalties will be assessed to each member of your foursome in the following manner.
- Finishing 16 minutes or more behind the previous foursome on the front nine = 2 stroke penalty.
- Finishing 16 minutes or more behind the previous foursome on the back nine = 2 stroke penalty.
- Punching the scorecard before the last foursome member has putted out and the flag has been replaced = 2 stroke penalty.
- Failing to punch the scorecard = 2 stroke penalty.
- TEAM EVENTS - During team play events, the maximum penalty per nine holes will be two shots per team.

Local Rules

Dress Code – We do not have a formal dress code, but we expect all players to wear appropriate golf attire.

Pump Houses on #10 and #18 – Nearest relief is given for swing and stance only.

Creek to the right of 8 Fairway - In the interest of speed of play, the creek to the right of 8 fairway will be played using the old definition of a lateral hazard. A player may therefore take relief on either side of the creek from where their ball last entered the hazard.

Railroad Ties – Nearest relief for swing and stance.

Out of Bounds – Exterior walls, fences, and interior white stakes define out of bounds. Out of bounds walls are defined as the hole you are currently playing. Any ball that leaves the golf course and comes to rest on another part of the course will be deemed out of bounds.

Tunnel – The tunnel between #16 green and #17 tee box is out of bounds. The wall above the tunnel defines out of bounds. This tunnel is commonly referred to as The House of Peach.

French Drains – Relief is given only if gravel interferes with stance or lie.

Range Balls – Taking stance and hitting range balls on the course during play is not allowed and is subject to a two-stroke penalty.

Retaining Wall #18 – The wall along the water on #18 is played as part of the hazard.

Spikeless Shoes – All members must wear spike-less shoes for Fifty Club tournaments.

Distance Measuring Devices - Players are allowed to use devices that measure distance only. The use of a device that gauges or measures other conditions that might affect a player's play (e.g., wind or gradient) are not permitted.

Accidental Movement of a Ball on a Putting Green - USGA Rules 18-2, 18-3 and 20-1 are modified as follows. When a player's ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent, or any of their caddies or equipment. The moved ball or ball-marker must be replaced as provided in Rules 18-2, 18-3 and 20-1. This Local Rule applies only when the player's ball or ball-marker lies on the putting green and any movement is accidental. Note: If it is determined that a player's ball on the putting green was moved as a result of wind, water or some other natural cause such as the effects of gravity, the ball must be played as it lies from its new location. A ball-marker moved in such circumstances is replaced.

General Information

Player Etiquette - Abusive or foul language directed toward any golf course staff member will not be tolerated. This includes Rangers, Pro Shop Staff, Maintenance Personnel, Starters and Fifty Club Officers. Anyone violating this policy will be subject to disciplinary action by the Fifty Club BOD. This could include the maximum penalty of having their membership cancelled immediately without refund.

Guests During Fifty Club Events – With the exception of serving as a player's caddy, children under the age of 16 are prohibited from accompanying members during Fifty Club sponsored tournaments. Required caddy responsibilities would include at a minimum physically carrying the player's bag for the full 18 holes.

Check-in Policy - On all events you are required to check in at the Pro Shop a minimum of fifteen minutes prior to your tee time. If you are not checked in within the allotted time, your spot is subject to be filled by a standby player.

Board Member Compensation – In compensation for their services Fifty Club Board Members will receive a reserved tee time for each tournament, complimentary tournament entry fees, and their annual renewal fee.

Establishing a Handicap

For all Tournaments supervised by the Fifty Club, new members will be required to provide adequate information such that an initial handicap can be estimated. Any player joining the Fifty Club who has a current Arizona Golf Association (AGA) handicap will receive 75% of that handicap. New member handicaps will then be calculated per the following schedule until six qualifying tournament scores are recorded.

- First Tournament – Gross and Net using the Fifty Club 5% rule where the new member's gross tournament score cannot be lower than the handicap information provided by more than 5%. This equates to a best possible net score of 68.
- Second Tournament with 1 Score now recorded – Gross and Net using the 5% rule where the new member's gross tournament score cannot be lower than the lesser of their previous score or the handicap information provided at signup by more than 5%. This once again equates to a best possible net score of 68.
- Third Tournament with 2 Scores now recorded – Best 1 of 2 – Gross and Net using the 5% rule where the new member's gross tournament score cannot be lower than their handicap by more than 5%. This equates to a best possible net score of 68.
- Fourth Tournament with 3 Scores now recorded – Best 1 of 3 - Gross and Net using the 5% rule where the new member's gross tournament score cannot be lower than their handicap by more than 5%. This equates to a best possible net score of 68.
- Fifth Tournament with 4 Scores now recorded – Best 2 of 4 - Gross and Net using the 5% rule where the new member's gross tournament score cannot be lower than their handicap by more than 5%. This equates to a best possible net score of 68.
- Sixth Tournament with 5 Scores now recorded – Best 3 of 5 - Gross and Net using the 5% rule where the new member's gross tournament score cannot be lower than their handicap by more than 5%. This equates to a best possible net score of 68.
- Seventh Tournament with 6 Scores now recorded– Best 3 of 6 (Member now established)
